IMPORTANT: Any left over balance is not refundable in any form whatsoever. The list above is the key items only, your sales consultant will have the detailed list of any structural or décor changes that have been included in this display. Your sales consultant will be able to give you an itemised quote but for certain items such as cabinetry, stone, tiling, carpet and timber flooring, you will be allocated an allowance and the final cost of this will be nominated at your selection or contract appointment. The upgrade allowance will be processed a post contract variation (PCV). Any expenditure over the promotional retail allowance for the specified range will be at the customers expense. The above list of items is current at the time of printing but you should be aware that suppliers can at times discontinue items. Should you choose a discontinued item, a World of Style consultant will be able to help you with the selection of a similar replacement item. This offer is not restricted to this particular display home, the dollar value allocated in the 'As Displayed Designer Upgrade' promotion can be used on any Prestige or Collection range home purchase to include pre-determined structural or house design suitable décor options only.
